

FAMILY PROTECTION COVERAGE PROVIDES ASSISTANCE FOR YOU AND YOUR LOVED ONES ANYWHERE IN THE WORLD

In today's world, individuals may become targets due to factors such as disability, gender, identity, sexual orientation, religion, and race, ethnicity, or ancestry. According to the FBI crimes based on these factors are on the rise, with over 13,300 reported offenses in 2022, the majority of which were directed at individuals rather than property.¹

That means, for example, you could be targeted if you:

- + Fly a flag of another country outside your home,
- + Attach a bumper sticker in support of a particular religion or gender identity to your car, or
- + Are a certain race, national origin or ethnicity.

These crimes could manifest as a stalking threat, home intrusion, violent road rage, cyberbullying, or other types of offenses.

HOW CAN YOU PROTECT YOURSELF AND YOUR LOVED ONES?

Chubb masterpiece homeowner clients can add family protection coverage to their policy and provide protection for immediate and extended family for some coverages, nearly anywhere in the world.
